Action responsible	Roxane Wicky
Implementation deadline	China trip - March 2026
Effectiveness verification	In progress
Status	Open

NC Description

Delivery of a carton of 1,000 pieces: 90.60.05710L instead of 90.60.05710

Cause Analysis

1 labeling error, the product is compliant but not the packaging.

Immediate Action Taken

Requested a photo of the labeling to validate the error.

Action Decided

Informed the supplier, the client accepts the goods as-is. Analysis in progress on how to modify the monitoring, reflection requested. Create a complete quality control checklist.

Additional Comments

RW: 260210: The supplier assures via today's WeChat that it is not possible for the error to be on the product, but estimates that it comes from the labeling. The photo request is in progress, the client does not wish to be particularly disturbed about this matter as they accept the product. The client is on vacation, I am waiting for their return for follow-up.
