

UPDATE RECAP 13 Points

1. Internal Auditor

Internal auditor by shareholders of Plus Sarl (Capucine Wicky & Olav Wicky).

2. Yuyao Quality Agreement

Prepare a quality agreement between Plus Sarl and Hardeng Yuyao Mould Factory and another one with Oukailuo.

1. Purpose

This agreement defines the quality requirements applicable to the manufacturing of products produced for Plus Sarl's customers.

It aims to guarantee:

- product conformity to customer specifications
- the protection of intellectual property
- deadline management
- nonconformity management
- transparency and cooperation between the parties

2. Scope

This agreement applies to:

- the manufacturing of industrial parts
- the development and modification of tooling
- quality controls before shipment
- nonconformity management

3. Technical Requirements

The supplier commits to:

- strictly comply with the plans, specifications, and requirements communicated
- not modify a product without prior written approval from Plus Sarl
- confirm technical feasibility before production launch
- immediately inform Plus Sarl in case of technical difficulty

4. Quality Control

The supplier commits to:

- perform an internal quality control before shipment
- verify dimensional, functional, and visual conformity
- report any nonconformity detected before dispatch
- correct any non-conforming production before shipment

A quality control report may be requested by Plus Sarl.

5. Validation of New Tooling

For any new mold or modification:

- a sample may be submitted for validation
- series production only begins after written confirmation from Plus Sarl
- any subsequent modification requires a new validation

6. Nonconformity Management

In case of nonconformity identified after delivery:

- the supplier cooperates in the root cause analysis
- provides the necessary information
- implements corrective actions
- bears the costs related to a production defect

7. Confidentiality

The supplier acknowledges that:

- the designs, plans, and specifications belong to Plus Sarl's customers
- this information is strictly confidential
- no reproduction, distribution, or external use is authorized
- molds developed for customers remain identified and protected

8. Subcontracting

The supplier may not subcontract production without prior notice to Plus Sarl.

9. Continual Improvement

The supplier commits to:

- cooperate in case of quality improvement

- participate in incident analysis
- strengthen controls if necessary

10. Entry into Force

This agreement enters into force on the date of signature.

Made in two copies:

For Plus Sarl: Name, date, signature

For the supplier: Name, date, signature

3. Industrial Partners

- Hardeng Yuyao Mould Factory: main partner
- Oukailuo: screws and hardware partner

4. Carriers / Freight Forwarders

The current main carrier is ECAM in China. Sofia, communication via WeChat and sending of official documents via WeChat or email. Freight forwarders are selected based on price, quality, or arrival port in Europe by Plus Sarl if needed or by Sofia at ECAM.

There is the possibility of working with external carriers, but the evaluation of this carrier has been very positive for years and it is considered a partner in the supply chain.

6. Customer Satisfaction Document

Create a customer satisfaction document.

7. Roxane Wicky's Qualifications

Roxane Wicky -- Business diploma in Neuchatel, various international makeup and aesthetics diplomas, Federal diploma in medical aesthetics, experience as executive assistant at Plus from 2013 to 2016, took over the management of the company in 2016 until today. On-the-job training in Switzerland and in China on numerous occasions.

9. Backup Method

The FileMaker system is hosted at Gramatec SA in Switzerland. Saving is automatic. The data is stored at Gramatec. In case of loss, theft, or system problems, Gramatec is able to retrieve all of the data.
